

# THE EVEN KEEL

Volume 7 *Builder's News*

March 1999

*DEFINING  
LUXURY*

The Gozzard 44 and 37 are fine examples of luxury sailboat genre. Gozzard designed and built by North Castle Marine of Goderich, Ontario, Canada, these extraordinary yachts are easily recognized by sailors that know craftsmanship.

The 11,700 pound MARSKEEL TECHNOLOGY Cruising Keel is just one of the myriad of quality features that the Gozzard 44 offers.

The craftsman at North Castle Marine, apply their skills to the finest materials available. material choice and selection is the hallmark of Gozzard quality. Everything from sails, to deck hardware, and yes, even the kitchen sink and head basins (Avian-simulated marble) are carefully chosen to meet the standard expected of boats bearing the Gozzard name.

The attention to detail, exhibited by this Gozzard design, always leans toward flawless cruising and ownership contentment. For example, the 82 H.P. engine is quiet because of a flexible drive coupling which allows the engine to be set on dampening mounts to greatly reduce the amount of vibration that gets to the hull.

<b>GOZZARD 44</b>	
<b>SPECIFICATIONS</b>	
L.O.A.:	50' 0"
L.O.D.:	44' 0"
L.W.L.:	37' 3"
